*This piece is dedicated to my dear hundsband Mattias Johansson as a birthday gift.
The text is also written by me.*

*When we woke up the first morning,
I felt that I have been married to you for a thousand years...
I saw the beautiful ocean from your deep blue eyes,
Pure, clean, warm, gentle.*

Time has passed, life has changed...

You're still singing with me in this late autumn day!

For a thousand years ...
