Notation rules in unmeasured parts

In this piece there are some nonstandard notation symbols. The following applies to the parts called "unmeasured", that is supposed to be sung without strict pulse (rubatolike).

All notes under a bracket are also supposed to be sung rhythmically free and independent of all other singers. At the end of the phrase you hold the last note until all singers have arrived there, and the conductor indicates that you should stop.

● = short note

○ = long note

’ = phrase ending

◡ = rest

Durata approx. 6 min.
